

**C & A TEXTILES LTD** investing \$1 million for procuring **CATERPILLAR Gas Generators**, Entire facility to be benefited with increased power and production.

**C&A Textiles Ltd.** has invested approximately \$1 million for procuring 3 (Three) **CATERPILLAR** gas generators with the capacity of **1219 KVA** each.

With a mission to double the capacity by the end of this year, **C&A Textiles Ltd.** Has successfully managed to get new gas connectivity from **Karnaphully Gas Company Ltd.** The fabrication & installation of new gas pipeline has already been completed last month.

All the Generators are directly sourced and shipped out from **Caterpillar Florida plant, USA** and are due to arrive at C&A Textiles facility by the end of May.

**“These investments are evidence of a company on the move, strategically investing in the people, tools and equipment to produce state of the art apparels commodities, with stunning design, quality and breakthrough technologies”**

- Chairman of C&A Textiles Ltd. *Mr. Gazi Golam Zakaria Jyoti* said while explaining this million dollar investment.
